

## Our product is Valves

**Establishment:** 2000

**Product range:** Ball Valves, GGC Valves, Butterfly Valves, Y-strainers

**Annual capacity:** \$ 7550,000 (EXPORT)

**Maximum Productivity:** Global sales and aftermarket network for quick responses wherever you are

High quality, durable, reliable.

**Large installed base across the world enabling efficient flow-control in all industries**

• Oil exploration and transportation OFFSHORE • ONSHORE oil exploitation • Transportation and storage of crude oil and gas • Refining processes • Gas Liquefaction and Petrochemicals

**Our major market:**  
South East Asia | North America | South Europe | Middle East | Russia

Zhejiang, China

### BALL VALVES

**Floating Ball Valves**  
API 608, API 6D

# 150 to 2500,  
Up to 8" (200 mm)

**Trunnion-mounted Valves - Side-entry**  
API 6D

# 150 to 2500,  
Up to 42" (1050 mm)

### GGC VALVES

**Gate Valves**  
API 600, API602

# 150 to 2500,  
Up to 42" (1050 mm)

**Globe Valves**  
API 602, BS1873

# 150 to 2500,  
Up to 24" (600 mm)

### ACTUATED VALVES

**Pneumatic Valves**  
API 6D, ASME B16.34

# 150 to 2500,  
Up to 42" (1050 mm)

**Electric Valves**  
API 6D

# 150 to 2500,  
Up to 42" (1050 mm)

### Fully welded extended stem underground

Stem height can be adjusted according to pipe construction & design requirements.

### Double Ball

This special structure is customised according to the data provided by the custom.

**Trunnion-mounted Valves - Top-entry**  
API 6D

# 150 to 1500, Up to 30" (750 mm)

**Check Valves**  
API 602, BS1868

# 150 to 2500,  
Up to 36" (900 mm)

**Pneumatic-Hydraulic Valves**  
API 6D

# 150 to 2500,  
Up to 42" (1050 mm)

### Y-STRAINERS

**Cast Y-strainers**  
PN6 to #300,  
Up to 40" (1000 mm)

### BUTTERFLY VALVES

**Concentric butterfly Valves**  
API 609

# 150 to 1500,  
Up to 100" (2500 mm)

### BRONZE VALVES

**Bronze Ball/ GGC/ Butterfly Valves**  
API 6D

PN10 and # 150,  
Up to 24" (600 mm)

Zhejiang Carilo Valve Co., Ltd.  
No. 142 Hebin East Road, Wuxing Industrial Zone, Oubei Town, Wenzhou City, Zhejiang Prov., China

# OUR BUSINESS

## CERTIFICATIONS

All sizes, pressure classes, and metallurgical compositions are managed in house utilizing the strictest quality control measures to ensure the customer's total satisfaction.

# IS CUSTOMER SERVICE

## QUALITY

CARILO valves are designed and produced to meet the major international standards and we take great care and put a lot of emphasis on QUALITY, which provides our customers with a total guarantee and trouble free operation of their process.

And in addition, we take great care to make our facilities and our products Environment friendly.

CONTROL EVERY STEP OF THE PROCESS
